Terms & Conditions

How the party works

- We supply a table plus chairs for each party guest for 90 minutes. The party table is set up for a maximum of 16 guests.
- Please note that the party table is located in an area with other parties which have been booked in at the same time and/or the general public and as such is located in an area that is not designated for your exclusive use.
- We kindly ask that you move off the party table after your 90 minutes has expired so we can clean up for the next group of parties. The children are welcome to continue to play on the inflatable equipment for another 30 minutes after this time. We advise you to use this half an hour to start preparing to leave the venue i.e. taking presents etc. to the car.
- Your party table should be ready approximately 10 minutes before the scheduled party start time. Please don't turn up early for your party as your table will not be ready for you.
- You will have access to the venue for another 10 minutes after the conclusion of your party time. We ask if you could please leave after this time in order for us to maintain safe capacity levels in the building.
- The inflatable play area is supervised by us so you can sit back and watch the kids at play or even better, get out there and have some fun yourself! However please be aware that the supervisors' responsibility is to supervise the correct use of the equipment and ensure all customers receive a fair turn on the equipment. They are not responsible for monitoring the behaviour of individual groups and as such you are responsible for the supervision of your guests. Please make use of the 4 complimentary adult wristbands that are included in the party package which are designated to assist you with your supervision.
- Please be aware of the following: All participants on the equipment aged 4 & under are restricted to the Under 5's area unless they are accompanied by a playing adult. The other equipment is designed for children aged 5 and over and as such anyone under this age would require an adult to provide additional help and supervision if they were to go on these pieces of equipment.
- We highly recommend that the birthday presents are opened at home, as we find pieces of new gifts can be easily left behind.
- No third party businesses are to be brought onto the premises including but not limited to caterers, face painters or clowns.
- Inflatable World Salisbury is play at your own risk and as such accepts no responsibility for injuries sustained on the inflatable equipment.

Party Food

- You may bring in your own party food or we can cater your party. We also provide free cordial and water for any party which orders two or more platters of food through us. Any food orders made with us will be brought out approximately 30 minutes after the start of your party.
- If you do bring in your own food, please be aware that you will not be able to store or re-heat your food on the premises using our facilities or bring in any other catering equipment to use.
- You must provide all your own plates, napkins and cups. If you do not bring your own, we may be able to provide some at an additional cost.
- We have snacks, confectionery, soft drinks and other drinks available at our kiosk for you to purchase as well as hot food options which your guests are welcome to buy.

Decorations

- Feel free to decorate your table with a tablecloth (or we can supply one for \$5) and secure helium balloons plus napkins, plates, cups etc. However please do not tie balloons or banners to the sports nets as this can damage the netting or tie any decorations to the light fittings. Also please be aware, no scatters are permitted to be used to decorate your party area!

What to Wear

- Everyone playing on the inflatables must wear socks - no socks, no play.
- Inflatable world is a high energy, maximum activity zone! Kids often get hot and sweaty, so we suggest the kids wear loose comfortable clothing.
- Also please leave your hats, jewellery, tiaras, watches and iPods at home as they are not allowed on the inflatables.

Please keep this page for your reference!
